Foundation names scholarship recipients

April 18, 2018 – Pflugerville Education Foundation this week awarded scholarships to three Pflugerville ISD high school students.

Franklin Nicolas Afenkhen and Brodie Mazyrack were named recipients of the Noah Rodriguez Memorial Scholarship. Afenkhen attends Hendrickson High School; Mazyrack is a Pflugerville High School student.

Brinda Prasad of Hendrickson High School was named the recipient of the 2018 Mott Family Scholarship.

Each recipient of the Noah Rodriguez Memorial Scholarship receives an award of \$1,300. Prasad receives an award of \$2,000.

The Noah Rodriguez Memorial Scholarship Fund was established to provide scholarships to high school seniors each pursuing a college degree in engineering at an accredited university in Texas. Recipients must maintain at least a 3.0 grade-point average.

The scholarship is in memory of Noah Rodriguez, a PfISD student who passed away in 2013. PfISD high school graduates have now received more than \$34,000 in scholarship funds through the award.

Established by Charles and Vernagene Mott, the Mott Scholarship is intended to encourage and supplement the recipient's educational pursuits in the medical, scientific or engineering field. Recipients must successfully complete at least four Advanced Placement classes and be ranked in the top five percent of their graduating class.

Established in 2017, the Mott Scholarship has provided \$4,000 to PfISD students.

We congratulate our scholarship winners and wish them the best in their future endeavors.
