## American Legion contributes to Foundation

April 25, 2016

Kerlin-Lyerly American Legion Post 154 presented a check for \$500 to the Pflugerville Education Foundation during a membership meeting at the Pflugerville Public Library on April 11, 2016.

Accepting the check (from left) Pflugerville Education Foundation Board Member Renae Mitchell; Pflugerville ISD Superintendent of Schools Dr. Alex Torrez; Foundation President Robin Ayers; Legion Post Commander Brian Allen; PfISD Board of Trustees President Vernagene Mott; and Post 1st Vice Commander Ken Dalfonso.

The donation establishes an initial grant for veterans or active-duty military members employed by PfISD, to offset costs of professional education.

"This is an excellent example of the focus we want to put on our employees here at PfISD," said Dr. Torrez. "We not only want to thank those at Post 154 for their service to our country but for taking the time to ensure they assist our district veterans and active-duty personnel."

"This is another great opportunity to recognize those who have served their county in the armed forces and continue to serve in public education," added Dalfonso. "Pflugerville supports its veterans and we are proud to support Pflugerville ISD."
